DETAILED ACTION

Election/Restrictions

1. This application is in condition for allowance except for the presence of claims 31-38 to an invention non-elected without traverse. Accordingly, claims 31-38 have been cancelled. *(Applicant note: although it was specified by the applicant to cancel claims 31-38 in the after final amendment received on August 20, 2004, those claims were listed in the accompanying claim set as withdrawn, not canceled. The examiner's amendment below will officially cancel those claims.)*

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee. (Claims 31-38 are canceled to place the case in condition for allowance. The amendment to the papers filed on 8-20-04 is done to place the amendment in proper form, such that all claims in the case are properly identified. Specifically, claim 23 has been canceled by the applicant but is not listed in the claim set. Claim 24 was canceled in a previous amendment, dated May 27, 2004.)

The application has been amended as follows:

Cancel claims 31-38;

On page 6 of the applicant's amendment filed on 8-20-04, change: "Claims 22 and 24" to - - Claims 22-24 - -.

Allowable Subject Matter

3. Claims 12-21 and 25-30 are allowed.

4. The following is an examiner's statement of reasons for allowance: claims 12-21 and 25-30 were noted as allowable in the previous final office action, dated June 10, 2004. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
